New Business.

- Introduction of Neighborhood representatives. Jerry went around the room and allowed each of the representatives in attendance introduce themselves. A suggestion was made to send the monthly agendas to all the neighborhood representatives in advance of the meetings.

- August 5th National night out event. Carol discussed the upcoming event which was made possible by a donor wishing to remain anonymous. The Police department has been impressed in the past with the participation from Vista Lakes so the committee is hoping for another good turnout.
